

# Welcome

Here's everything you need to know for your visit to the Archives.

## Prepare

Before your visit:

Please contact us to make an appointment.

Let us know your topic and provide as much information as possible so that we can have materials ready for you.

Bring your own pencils, note paper, camera, and any other research tools you need.

## Assess

Please ask yourself the following questions:

Have you travelled out of the country within the last 14 days?

In the last 14 days, have you exhibited persistent cough, sore throat, fever, or difficulty breathing?

Are you aware of coming into contact with anyone who has tested positive for Covid-19?

If you answered yes to any of the above, we can reschedule your visit.

## Sanitize

When you do visit the Archives, please:

Use provided hand sanitizer on entry and when leaving.

Maintain a 2 metre distance from staff and volunteers.

Wear a mask if appropriate for you or if you are not able to maintain distancing during your visit.
